5

GENERAL NOTES:

1- All Figures in Metric Tonne unless otherwise specified.
2-JP-1 other Airport locations include Faisalabad, Multan, Nur Khan Airbase, Pasni, Peshawar, Sialkot, Turbat, Quetta, Sukkur, Nawabshah, and Skardu.
3-HOBC includes 95 RON
4-Stocks given above are total stocks as provided by OMCs. The total stock is a sum of useable stock, dead stock and stock on wheels as & when applicable. It may be noted that dead stocks could vary from Company to Company based on design configuration of their different storage tanks. However, only for Summary Sheet, 5% of total storage is assumed as dead stock and subtracted from total stocks of the Industry to provide a general data/guideline of Industry's "Useable Stocks" & "Days Cover".
5- Detailed break-up of Main & Up Country Installations is reflected in other sheets. JP-1 storage of OMCs include storages at main installations, up country locations & storages at Airports.
6- Storages are updated as per information provided by PAPCO, OMCs and Refineries as of 01-07-2024.
7- FO includes HSFO LSFO and RFO. FO Total useable stock is based on up-to-date data of Refineries & OMCs and stock data of Power Plant / IPPs as of 30-06-2024.
8- As advised by OGRA & PARCO, WOP pumpable stock and MFM deliverable stocks are used for determining useable stocks in the country. Stocks of terminal locations are not to be considered for the calculation.
9- PAPCO 27KT HSD storage tank at WOTS-I is out of service effective 10-May-2025 for 180 days (~ 9th Nov, 2025).

Disclaimer:The Daily Stock Position (DSP) Report has been prepared by OCAC for its members for information purposes only. This Report is not intended to provide professional, investment or any other type of advice or recommendation to any person. It may be noted that the data and information contained in the Report has been provided to OCAC by various members of OCAC to which such data relates. OCAC has only reproduced this data and collated the same in the Report for internal consumption of its members and has not undertaken any independent verification as to the veracity of the data. Neither OCAC nor do any of its employees make any warranty, express or implied or take or assume any responsibility for the use of any information contained in the Report. OCAC gives no assurance for the validity, accuracy, correctness or completeness of the information quoted in the Report. OCAC would urge any person seeking to rely upon the in+A59formation contained in the Report to undertake his/her own research and due diligence with respect to the information and to independently verify the facts at their end.The DSSP is based on data from the member companies (5 refineries, pipeline & 22 OMCs) of OCAC. Sales/stocks data from non-member OMCs is not included in the DSSP.

Note Stocks given above are total stocks as provided by OMCs. The total stock is a sum of useable stock, dead stock and stock on wheels. It may be noted that dead stocks could vary from Company to Company based on design configuration of their different storage tanks.

Daily sales of an OMC may not be reflective of market share computed as a percentage of total sales. Furthermore, this report is a general guideline of sales pattern primarily of major OMCs whose data at times Nov have to be repeated (in case of non-availability of data) based on previous day data for issuance of this report

Disclaimer:The Daily Stock Position (DSP) Report has been prepared by OCAC for its members for information purposes only. This Report is not intended to provide professional, investment or any other type of advice or recommendation to any person. It may be noted that the data and information contained in the Report has been provided to OCAC by various members of OCAC to which such data relates. OCAC has only reproduced this data and collated the same in the Report for internal consumption of its members and OCAC nor do any of its employees make any warranty, express or implied or take or assume any responsibility for the use of any information contained in the Report. OCAC gives no assurance for the validity, accuracy, correctness or completeness of the information quoted in the Report. OCAC would urge any person seeking to rely upon the information contained in the Report to undertake his/her own research and due diligence with respect to the information and to independently verify the facts at their end.
